Thesis Grant Notice

REDD Implementation Center announces the call for the proposal from eligible candidates doing Bachelor's degree in Forestry/Environmental Science or other related fields to accomplish their dissertation/field/project work. The amount of the grant will be Rs.38,000 (including VAT). The deadline for submitting the proposal is 30th Poush, 2075 (14th January, 2019). We also accept the softcopy of the documents. The thematic areas of the research proposal should be related to any of the following topic:

1) Drivers of Deforestation and Forest Degradation
2) Sustainable Forest Management
3) Forest Economics and Forest Based Microenterprises
4) Climate Change, REDD+ and carbon sequestration
5) Gender and Social Inclusion in REDD+

Please apply with:

1. Cover letter not exceeding a page
2. A research proposal (not exceeding six pages)
3. A recent CV (not more than two pages)
4. Supporting letter from institute.
